THESE instruments have enjoyed a high reputation for more than forty years. They are Durable, being constructed of the Best Materials, by the Most Skillful Workmen. They have earned an especial reputation for Keeping in Tune, and also for retaining in a most remarkable degree their original fullness of tone—never growing thin or wiry with age.

The Emerson Upright Pianos especially have obtained a remarkable success during the past few years, and have invariably received the highest award wherever exhibited. In all the essential qualities of a

they are second to no pianos manufactured in the country.

Bassett's · "ÉLITE" · Mucilage.

PERFUMED WITH THE EXTRACTS OF RARE FLOWERS.

Wilt t ever muld or sur; will not dry up like ordinary gums; will stick stronger and better than any Mucilage ever produced.

ALWAYS READY FOR USE. THE BEST IS THE CHEAPEST.

To accomplish the best results, it is necessary to use the best means: and, in this age of invention, much attention has been given to perfecting appliances for saving labor. The prosperous business man, to whom every minute is valuable, appreciates most fully anything that will permit economy in time: and nothing is so annoying as to find that his pen is scratchy, his pencil poor or the mucilage thick and in such condition as to be of little use. Most assuredly, it is economy to use the best materials that can be obtained: but, unfortunately, the sharp competition of late years has had the effect of inducing some manufacturers to use a cheaper class of goods in the preparation of their wares, in order to place their productions in the market at prices lower than those of their rivals. Of course the most reliable firms do not adopt this unwise policy: and it is encouraging to find that the public has become dissatisfied with goods that are poor in quality, because cheap, and now insists upon excellence, even though the price be necessarily higher. It would be interesting to know how much valuable time is wasted in annoying struggles to withdraw brushes from mucilage bottles; for the nature of the adhesive compound is such that, as a rule, it soon becomes so thick that, if allowed to stand any length of time, the brush is firmly fastened to the bottle, and can be detached only by considerable expenditure of time and strength. In 1879 Mr. Bassett, of the firm of Joseph T. Brown & Co., the well-known Druggists at the corner of Washington and Bedford streets, made a few bottles of mucilage using a formula which he had prepared after careful study of what was needed for the compound. The mucilage was put aside; and when some of the bottles were opened a short time ago it was found that the contents were in as good condition as when the bottles were filled. This is quite remarkable; but the best quality of gum and other ingredients had been used, and in addition a most agreeable perfume had been added, and this had t

THE "ÉLITE" MUCILAGE is elegantly put up in our Patent Flint-Glass Bottle, so shaped that it is almost an impossibility to upset it. Each bottle is provided with a brass-handled brush with white bristles and a hand-some nickel-plated cap, the whole outfit being ornamental and thoroughly practical. For the HOUSE, the OFFICE, the STUDIO, the LIBRARY, for STORES, BANKS and HOTELS, the "ÉLITE" MUCILAGE is superior to all others.

Saturday Euening Gazette.

THE SOCIETY PAPER OF BOSTON.

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for over three-quarters of a century the leading family weekly journal of the city. Its circulation is among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama, Society, and the General Affairs of the Day,

it employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the Rev. H. Price Collier, of Brooklyn, N.Y., which are printed each week during nine months of the year, from the author's manuscript, and are believed to be among the ablest and the most widely read discourses that emanate from any liberal

pulpit.

The GAZETTE is a special favorite with the ladies. Its "Out and About" columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. The "Miss Meander Letters" the "Cui Bono" series of articles, and "Modern Society," written by an eminent man of letters, are among the many strong and popular specialties of the GAZETTE, and have from their first appearance enjoyed a constantly increasing favor. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a Society, Hotel and Club Paper, it is without a rival.

The GAZETTE gives close attention to local news, and is the only Sunday paper in Boston, except the "Herald" and "Globe," that has the advantage of the Associated Press telegraphic despatches.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited it is most of all sought.

ited, it is most of all sought.
The GAZETTE is owned by a corporation of most prominent Boston business men. Its officers are, President, Benj. F. Stevens; Treasurer, Henry G. Parker; Clerk, Wm. Baker; Directors, Benj. F. Stevens, Henry G. Parker, William T. Hart, David Nevins, Charles H. Taylor, John C. Wyman, Weston Lewis.

"One of the brightest and most enterprising papers in New England."—

HARPER'S WEEKLY.

THE BOSTON SATURDAY EYENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week."—BOSTON TRANSCRIPT.

THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival."—Bos-

WALTER BAKER & CO.'S

Breakfast Cocoa

AND OTHER

Cocoa and Chocolate

Preparations

It appears from analyses made by English and German chemists that the cocoas made by the Dutch process contain a considerable percentage of alkalies and other chemicals, which are introduced for the purpose of giving apparent smoothness and strength to the decoction. The use of chemicals can be readily detected by the peculiar odor from newly opened packages, and also from a glass of water, in which a small quantity of chemically treated cocoa has been placed and allowed to remain for several days. For more than one hundred years the house of Walter Baker & Co. have made their cocoa preparations absolutely pure, using no patent process, alkalies, or

White Pennant above Cautionary Signal when Northwesterly winds are expected; and below for Southwesterly winds.

Information Signal. The "Information Signal" consists of a Yellow Pennant, of the same dimensions as the Red and White [Wind Direction Signals], and when displayed indicates that the local Observer has received information from the Central Office of a storm covering a limited area, dangerous only for vessels about to sail to certain points. The Signal serves as a notification to shipmasters that the necessary information will be given them upon application to the local Observer.

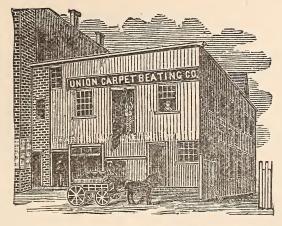

The Cold-wave Signal consists of a White Flag with Square Black Centre; when displayed, it means that the temperature will fall rapidly during the next twenty-four hours.

The United States Signal Office in Boston is located in the Post-Office Building, corner Milk and Devonshire Streets, and is open to visitors from 9 A.M. until 4 P.M.

LOWER LEFT CORNER —Condolence.

TURNING THE ENTIRE LEFT END -A call on the family.

R. s. v. p. (Répondez, s'il vous plait.)—Please answer.

Acceptances or regrets should be sent as soon as possible after receiving invitations. If no reply is requested and no regrets sent, it is understood the invitation is accepted.

"Party Calls" should be made within one week after date of the party.

Invitations in your own city should be sent by messenger, not by mail. Answers to such invitations should be similarly sent.

Letters or notes of invitation delivered by hand in the city are often marked

E. V.-En Ville.

The custom is, for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

On gentlemen's visiting cards, "Mr." should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

On receipt of an "At Home" card, no reply is required.

A visiting card should always be left when attending an "At Home."

GEORGE H. INNIS,) Commissioners.

BROWN S. FLANDERS, Supt.

August 8, 1891.

BOSTON FIRE-ALARM TELEGRAPH.

SPECIAL NOTICE.

The fact that an alarm-box is located near their residence, and where the key is kept, should be known to all persons; also the simple manner of giving an alarm in case of fire. The Board of Fire Commissioners recommend to all persons who may see this notice, that they make the necessary inquiries to enable them, in case of need, either to get the key, and give an alarm, or to direct others to do so. *Time* saved in this way may sometimes prevent a conflagration.

IN CASE OF FIRE, FOLLOW THESE DIRECTIONS:

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box; pull the hook all the way down ONCE and let go.

Wait one full minute for the sound of the bells.

Listen for the working of the machinery in the box. If you do

not hear it, pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm.

If it be a keyless door, turn the handle to right, and open the

door; when open, pull hook as in other boxes.

After giving the alarm, remain a while, if possible, by the box,

so as to direct the firemen to the fire.

SECOND ALARMS.— No person will give alarm for the same fire (after the first alarm has been given) without an order from an Engineer, or the officer in command; and the person so ordered will be sure to go to the same box from which the first alarm was given, and report the same to the Chief Engineer. If, however, a fire breaks out while another is burning in a different section of the city, a second alarm can be given by a Police Officer, without waiting for an order from an Engineer.

CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

Never open the box or touch the hook except in case of fire. Ι.

Never give an alarm for a fire seen at a distance. 2.

Be reasonably sure there is a fire before giving an alarm. 3.

Be sure your box is locked before leaving it. 4.

Never let the key go out of your possession, except to some 5. responsible person to give an alarm of fire, and be sure the kev is returned.

6. If you remove from your house, or place of business, return the key to the Fire Commissioners' Office without delay.

UNFADING DYES.

This is the best way to buy your Wash Silk. The spool keeps the silk clean, prevents shop-wear, and saves your time.

This is also the best size for most kinds of fancy work. Buyers should look for the size EE and the brand "Corticelli" on one end of the spool; on the other the words "Wash Silk—Fast Color" should appear. Enterprising dealers sell it.

FLORENCE HOME NEEDLE-WORK, 1891.

The subjects are Crocheted Silk Slippers, Scarfs (3 new styles), Belts, Beaded Bags, Macramé Lace, Embroidery, etc., with 140 engravings. The book mailed to any address on receipt of six cents. Mention year in ordering, to avoid confounding with 1887, 1888, 1889 or 1890 editions.
